

Seattle Lutheran High School

Contract for Algebra 2 Honors Class

Honors class Student Expectations:

SLHS supports any student who wants to accept the challenges of an advanced class. However, the opportunity to be in honors classes carries with it certain assumptions about the capabilities and maturity of students who will be doing advanced work. It is hoped that students are primarily motivated by an appreciation for the subject and secondarily by GPA.

Students are expected:

1. To be independent learners, willing to read, learn, ask questions, pursue outside reading and research, integrate and discuss material from diverse sources.
2. To attend class, take tests, and turn in assignments on time.
3. To accept that enrollment in an Honors course does not guarantee an A or B grade.
4. To accept gracefully assignments, suggestions, and coaching from the teacher.

Students who enroll in an advanced placement course or honors course and their parent/guardian must sign the following written contract:

1. I recognize that I have to demonstrate independence and responsibility. I must meet the highest standards of performance in any honors course. Honors classes typically require 1-1/2 times as much homework as non-honors college preparatory classes.
2. I know that I cannot transfer from my honors class into the equivalent course after the progress report without penalty. I understand I cannot transfer back into Algebra 2 until the semester break.
3. I understand that I must maintain a C average (2.0 or greater) in the class for full credit.
4. I agree to uphold Seattle Lutheran High School's academic integrity policy. I understand that I may be dropped from
 - any honors class with a failing grade pursuant to a violation of the Academic Integrity Policy if I plagiarize, cheat, or submit work other than that which I personally have done.
