Dear Junior Class Families,

One component of our Core values is **Community Oriented**. This component reminds us that God, surrounded by others to care for and to share Christ's love through actions, places us all in a community. Juniors will partner with a non-profit or charity of their choice to share their talents and gifts working with people in the community.

Every junior needs to arrange for him/herself opportunities to serve others. Juniors will complete their hours of service and submit an essay to his/her English teacher. Specifics of the essay are below.

Juniors are required to complete a minimum of 35 hours of service.
