Senior Project Application for Project Approval

- Please answer **IN COMPLETE SENTENCES** and submit this form along with your Cover Page to the Senior Project Coordinator, Mrs. Clark, for the approval process before you begin work on your project.
- We encourage you to do this part in the spring of junior year or at the beginning of the summer.
- If you have questions please contact the Senior Project Coordinator, Tami Clark, at tclark@seattlelutheran.org.

Full Name: _____ Date: _____

Project Title: _____

Project Description:

Identify & explain what your project is. What do you plan to do?

Goal of the project:

What is your goal for the project? How will you know if your project is successful?

What will be the result of your project for the organization/people you are volunteering for?

What do **you** expect to learn or gain from the project? How will this project benefit **you** in the future? In other words, what qualities or skills will you learn that will benefit you in college and/or adulthood?

(OVER)

Community Service Component:

Name the community service (non-profit) organization you will be working with. What service will you be performing for them? (See the community service guidelines in the Senior Project Information Packet.)

Process:

How do you plan to achieve your goal? (Include methods, skills, & any materials needed.) Indicate the stages or steps you intend to follow & a calendar/plan for the time involved. How will you reach the minimum of 60 hours?

Budget:

Calculate/estimate the expenses you will have (if any) to complete the project. How will you cover the expense?
